4. You will be greeted with the iTunes welcome message. Click 'Continue'

5. Then you will see the iTunes Store Terms and Conditions page, click on the ',I have read and agree to the iTunes Terms and Conditions' check box.

6. Now, enter the information required. Enter a valid e-mail address. Once you have entered the info, click 'Continue'.

The screenshot shows the 'Create iTunes Store Account (Apple ID)' form. At the top right, there is a 'Secure Connection' icon. The form contains the following fields and options:

- Email Address:** A text input field with the note 'This will be your new Apple ID'.
- Password:** A text input field with masked characters (\*\*\*\*\*). A note says 'Password must be at least 6 characters'.
- Verify:** A text input field with masked characters (\*\*\*\*\*). A note says 'Retype your password to verify'.
- Identity Question:** A section titled 'Enter a question and answer that you can easily remember to help us verify your identity'. It includes a 'Question:' text input field and an 'Answer:' text input field.
- Date of Birth:** A section titled 'Please enter your date of birth to help us verify your identity in case you forget your password'. It includes 'Month:' and 'Day:' dropdown menus.
- Email Preferences:** A section titled 'Would you like to receive the following via email?'. It has two checkboxes:
  - New releases and additions to the iTunes Store.
  - News, special offers, and information about related products and services from Apple.

At the bottom of the form are three buttons: 'Go Back', 'Cancel', and 'Continue'.

7. This is where you will see that you can select 'None' as an option under 'Payment Method'. This option wasn't available earlier.

The screenshot shows the 'Provide a Payment Method' form. At the top, there is a note: 'If you provide a payment method now, you will not be charged until you make a purchase. If you select None, you will be asked to provide a payment method when you make your first purchase. If the billing address of your account information is not in the United States, click here @'. Below this, there are several sections:

- Credit Card:** A row of icons for VISA, MasterCard, Discover, American Express, and PayPal. A 'None' option is also present. Below this are fields for 'Card Number:', 'Security Code:', and 'Expires:' (with a dropdown for the year, currently showing 2009).
- Gift Cards and Certificates:** A 'Code:' text input field with a note 'To redeem a code, email it here'.
- Billing Address:** A section with fields for 'Salutation:', 'First Name:', 'Last Name:', 'Address:', 'City:', 'State:', 'Zip Code:', and 'Phone:'. The 'Country/Region' dropdown is set to 'United States'.

At the bottom of the form are three buttons: 'Go Back', 'Cancel', and 'Continue'. A small note at the very bottom states: 'Apple uses industry-standard encryption to protect the confidentiality of your personal information.'

8. Check the 'None' radio button and enter the personal information and then click 'Continue'
